Choice of Programme
(To provide at least first choice. Do not repeat choices). Click here to find out more on programmes available and check on the Minimum Subject Requirements.

✱First Choice: ℹ   [Economics and Data Science ▾]

Second Choice : [Computer Engineering with a Second Major in Data Analytics ▾]

Third Choice: [Data Science and Artificial Intelligence ▾]

Fourth Choice: [▾]

Fifth Choice: [▾]

Please note that your application will also be considered for the choice(s) listed below, in top-to-bottom sequence, subsequent to the choice(s) you have indicated above. To find out more about this new scheme, click here.

Computer Engineering

Note:
1. Applicants interested in the LKCMedicine programme are to note that only those who have selected the programme as a first choice will be considered. Applicants must not have started or completed an undergraduate programme at any university. Applicants who have previously applied

may not be considered unless they have shown significant improvements in their academic grades or BMAT results. Applicants are required to complete an additional section "Application for LKCMedicine Programme" at the Application Tracking Page via the Check Status link upon successful submission of this online application form.

2. **Application choice auto-inclusion scheme.** Applicants choosing any programme with a second major will also be considered for its corresponding programme with no second major, in a manner succeeding any of the 1st to 5th choices if selected in the application form, and if they have not been earlier selected as one of the five choices. E.g. an applicant indicated 1st choice Biological Sciences with a second major in Food Science and Technology, 2nd choice mechanical engineering, and no other choices will be considered for Biological Sciences with a second major in Food Science and Technology, mechanical engineering, followed by Biological Sciences. If the applicant wishes to be considered Biological Sciences as a second choice over mechanical engineering, he should therefore indicate Biological Sciences as a second choice.

3. Students who are offered Engineering or Engineering with a Minor in Business programme will be streamed into either Civil, Electrical & Electronic, Mechanical, Environmental or Materials Engineering from the second semester of year 1 of study on the basis of their year 1 first semester university results and competition.

4. Applicants interested in the double degree programmes offered under Engineering & Economics are allowed to choose no more than 2 from the programmes available.

5. Applicants choosing a particular programme with a minor in business will also be considered for its corresponding programme with no minor, and vice versa. E.g. by choosing 'Bioengineering with a Minor in Business', one will also be considered for 'Bioengineering'. Similarly, by choosing 'Bioengineering', one will also be considered for 'Bioengineering with a Minor in Business'. Applicants need not and will not be provided the option to choose both.

6. If you choose Art, Design & Media as one of your choices, please take note of the additional supporting documents that you need to submit.

7. Please note that Arts (Education) and Science (Education) are teacher training programmes. Successful applicants will be bonded to serve the Singapore Ministry of Education for 4 years.

8. Please note that some of the lessons related to Biomedical Sciences programme are conducted in Chinese. To apply for the programme, you need to have at least a pass in Chinese at GCE 'O' Level/Junior High School level. This programme is not applicable to Citizens of Mainland China, Hong Kong SAR and Taiwan.

Tuition Grant

✳ Indicate your choice below

○ I do not wish to apply for a Tuition Grant. I understand that I will pay Non-Subsidised Tuition Fee throughout my entire course of study, and will not be eligible to apply for the Tuition Grant, Scholarships or other forms of financial aid throughout my entire course of study, if I am offered a place.

◉ I wish to apply for a Tuition Grant. I am prepared to sign a Tuition Grant Agreement with the Government of Singapore, which would require that I secure employment and serve in a Singapore entity for three years upon graduation. I am aware that the Agreement requires two sureties, who must be above 21 and below 65 years of age, and who must not be undischarged bankrupts. I also declare that I have not received a Tuition Grant or other sponsorship/subsidy from the Government of Singapore previously for a course of study at the same or a higher level as my new course. If I have, I am aware that this will be taken into consideration when assessing my Tuition Grant eligibility for my new course.
